**Coachella** - The California Department of Transportation (Caltrans) advises motorists that a full closure of the interchange at 86S and Avenue 52 will occur starting at 7AM February 23, 2005 through 5 PM March 8, 2005. Utility work will be completed on Avenue 52 between 86S and the bridge that spans the Coachella Valley Storm Water Channel.

Detour signs will be posted one week prior to the scheduled start date and changeable message boards will advise motorists of the closure.
